

## **VOTE SOLAR**

**POSITION OPENING:**  
REGIONAL DIRECTOR/MANAGER, SOUTHEAST

## **VOTE SOLAR**

Vote Solar is a national non-profit organization dedicated to bringing solar energy into the mainstream. We are in search of a top-notch candidate to design, campaign for, and implement key policies for expanding solar opportunities in Southeastern states. Initial geographic focus will likely be Virginia and the Carolinas. The position will assess opportunities in the Gulf States as well.

### **RESPONSIBILITIES**

The Regional Director/Manager will be responsible for advancing strong solar policy in assigned states in the Southeast. Activities include:

- Identifying solar policy needs and opportunities in target states. Policy issues may include net metering, shared solar, interconnection standards, tariff design, renewable procurement policies, utility resource planning, tax policy, permitting issues, and financing programs.
- Planning and executing comprehensive regulatory and legislative campaigns to advance solar policy.
- Building policymaker and regulator support for solar policy through education, testimony, direct intervention, fact sheets, quantitative analysis, presentations and relationship building.
- Leveraging grassroots supporters and key influencers to turn solar's broad popularity into effective political power.
- Working with our internal communications team to plan and implementing media and social media plans to support campaign objectives.
- Building external partnerships and helping lead coalitions to increase the effectiveness of our campaigns.
- Winning.

### **SKILLS AND EXPERIENCE**

We are looking for someone who can:

- Become an expert on complex solar policy topics.
- Develop and execute successful campaigns.
- Write and present formal testimony.
- Work collaboratively and lead diverse coalitions.
- Communicate effectively for legislative and general audiences.
- Work independently, effectively and creatively.
- Participate in regulatory dockets when needed.

Applicants should have at least three years of relevant experience on energy issues. Political organizing or campaigning skills are preferred. Familiarity with energy policy in the Southeast, and relationships with state and regional clean energy stakeholders are also a plus.

**POSITION DETAILS**

This position will be based in the Southeast (preference for VA or NC, though all locales will be considered). As this position will require regional travel, proximity to transportation hubs is important. Excellent benefits: Vote Solar provides full-time staff with a competitive package, including paid vacation and sick time, health care and a retirement savings plan. Vote Solar is an equal opportunity employer that seeks to expand the diversity of its staff. Start date: ASAP.
