

VOTE SOLAR

POSITION OPENING:
REGIONAL DIRECTOR/MANAGER, MID-ATLANTIC

VOTE SOLAR

Vote Solar is a non-profit organization dedicated to bringing solar energy into the mainstream. We are in search of a top-notch candidate to design, campaign for, and implement key policies for expanding solar opportunities in Mid-Atlantic states.

RESPONSIBILITIES

The Regional Director/Manager will be responsible for advancing strong solar policy in assigned states in the Mid-Atlantic. Activities include:

- Identifying solar policy needs and opportunities in target states. Policy issues may include net metering, shared solar, interconnection standards, tariff design, renewable procurement policies, utility resource planning, tax policy, permitting issues, and financing programs.
- Planning and executing comprehensive regulatory and legislative campaigns to advance solar policy.
- Building policymaker and regulator support for solar policy through education, testimony, direct intervention, fact sheets, quantitative analysis, presentations and relationship building.
- Leveraging grassroots supporters and key influencers to turn solar's broad popularity into effective political power.
- Working with our internal communications team to plan and implementing media and social media plans to support campaign objectives.
- Building external partnerships and helping lead coalitions to increase the effectiveness of our campaigns.
- Winning.

SKILLS AND EXPERIENCE

We are looking for someone who can:

- Become an expert on complex solar policy topics.
- Develop and execute successful legislative campaigns.
- Participate in regulatory dockets when needed.
- Write and present formal testimony.
- Work collaboratively and lead diverse coalitions.
- Communicate effectively for legislative and general audiences.
- Work independently, effectively and creatively.

Applicants should have at least three years of relevant experience on energy issues. Political

organizing or campaigning skills are preferred. Familiarity with energy policy in the Mid-Atlantic, and relationships with state and regional clean energy stakeholders are also a plus.

POSITION DETAILS

This position will be based in the Mid-Atlantic (Delaware, Maryland, New Jersey, Pennsylvania, Virginia). We would like to expand our D.C. office, but are open to other locations as well. As this position will require regional travel, proximity to transportation hubs is important. Excellent benefits: Vote Solar provides full-time staff with a competitive package, including paid vacation and sick time, health care and a retirement savings plan. Vote Solar is an equal opportunity employer that seeks to expand the diversity of its staff. Start date: ASAP.
